

## anti- ATP7A antibody

### Product Information

|               |                                                                                                                 |
|---------------|-----------------------------------------------------------------------------------------------------------------|
| Catalog No.:  | FNab10913                                                                                                       |
| Size:         | 100µg                                                                                                           |
| Form:         | liquid                                                                                                          |
| Purification: | Immunogen affinity purified                                                                                     |
| Purity:       | ≥95% as determined by SDS-PAGE                                                                                  |
| Host:         | Rabbit                                                                                                          |
| Clonality:    | polyclonal                                                                                                      |
| IsoType:      | IgG                                                                                                             |
| Storage:      | PBS with 0.02% sodium azide and 50% glycerol pH 7.3, -20°C for 12 months (Avoid repeated freeze / thaw cycles.) |

### Immunogen information

|              |                              |
|--------------|------------------------------|
| Immunogen:   | Copper-transporting ATPase 1 |
| Synonyms:    | ATP7A, DSMAX, MK, MNK, SMAX3 |
| Observed MW: | 163kDa                       |
| Uniprot ID : | Q04656                       |

### Application

|                          |              |
|--------------------------|--------------|
| Reactivity:              | Human, Rat   |
| Tested Application:      | WB           |
| Recommended dilution:WB: | 1:500-1:2000 |
| Image:                   |              |
